## ORDERS IN COUNCIL

Approved and ordered this 2nd day of December, A.D. 1952.

GORDON McG. SLOAN,  
Administrator.

AT THE EXECUTIVE COUNCIL CHAMBER,  
VICTORIA.

## PRESENT:

The Honourable Mr. BENNETT, in the Chair.

Mr. BLACK.

Mr. BONNER.

Mr. SOMMERS.

Mr. GUNDERSON.

Mr. GAGLARDI.

Mr. CHETWYND.

Mr. WICKS.

Mrs. ROLSTON.

Mr. MARTIN.

To His Honour the Administrator in Council:

THE undersigned has the honour to report that requests for an inquiry into the affairs of the City of North Vancouver have been received from the North Vancouver City and District Property Owners Association under date of October 30th, 1952, on the grounds that:—

"1. On October 14th the City Comptroller, Mr. R. W. Richards resigned, the resignation to take effect on November 14th. Mayor Goldsworthy got the letter and immediately wrote Mr. Richards relieving him of his position as at October 14th and enclosing a cheque for a month's salary. The resignation had not been before the City Council and there had been no authority given by the Council for the issuing of the cheque.

"2. At the City Council meeting of October 20th the City Clerk asked the Mayor if the letter of resignation should be read, to which he replied "no" and instructed the Clerk to read his, the

Mayor's reply. The Council without debate approved the Mayor's action. In our opinion this did not legalize the previous action of the Mayor.

"3. In his letter of resignation, a copy of which appeared in full in the Vancouver Province, certain allegations were made of interference with the duties of the Assessor, this taking the form of a letter addressed to the Assessor and signed by the City Clerk and dated April 3, 1951. This letter, which is quoted in full in the Treasurer's resignation, instructed the Assessor not to reassess the waterfront until further instructions were issued by the City Clerk. In our opinion it is important to determine whether this letter was written by the City Clerk on his own initiative or on instructions from someone else.

"4. The reasons given in the Clerk's letter for holding back the reassessment seemed to us very flimsy and consisted of matters which could have been discussed with the Assessor at any time if considered necessary. Later in the year it is said that the City Council instructed the Assessor to again reassess certain residential properties with dual occupancy. These instructions then made it impossible to complete the assessment of the waterfront in 1951.

"5. An addition to the hospital, jointly owned by the City and District, had been discussed for some time and a contractor dug the foundations, placed in them certain forms for the concrete, and had other forms ready to put in and lumber on the ground for the balance, and all this appears to have been done before approval of the plans by the Health Department at Victoria and without instructions from the City and District, who are the owners of the property. It would appear advisable to find out who gave the instructions for this work and how it is being paid for and on what authority. After this situation had been aired in the Press, the Assessor was asked to sign a letter stating that he had not been interfered with in his duties, and when he stated that he could not do this, it is alleged that he was asked to appear before a committee of the Council, and on doing so along with his solicitor, no action was taken."

And also under date of November 20th, 1952, inquiring:—

"(a) Whether Alderman McDevitt of North Vancouver City had authority to write a letter alleged to have been written by him under date of August 5th, 1952, to the City Collector authorizing the Collector to accept the net tax payable on Lots 4, 5, 6, and 7 of Block 102, District Lot 550, in the City of North Vancouver, when the penalty date set by the rate by-law for 1952 was July 17th, 1952.

"It is believed that the above letter is attached to this duplicate receipt for this payment which was made on August 12th, 1952, and filed at the City Hall.

"(b) Whether the City Council had authority to sell North Vancouver Ferry No. 3 at the time of its sale this year, and whether proper steps were first taken by the Council to ascertain its true value.

"It is believed approval for its sale was given some years ago at a price of \$35,000, and, further, that its eventual sale price was in the neighbourhood of \$3,000."

And that the Inspector of Municipalities deems it expedient to inquire into the several matters hereinbefore mentioned and generally into the business of the municipality in connection therewith:

And that by section 510 of the "Municipal Act" it is provided that the Inspector of Municipalities may by himself, or by any deputy or other person authorized by him, with the approval of the Lieutenant-Governor in Council, hold a public inquiry concerning any matter connected with a municipality or the conduct of any part of the business of a municipality:

And that, subject to the approval of the Lieutenant-Governor in Council, the Inspector of Municipalities has authorized Donald E. McTaggart, Q.C., to hold an inquiry into the matters aforesaid:

And to recommend that, pursuant to the provisions of section 510 of the "Municipal Act," the holding of an inquiry by Donald E. McTaggart, Q.C., into the matters aforesaid be approved:

And to further recommend that Thomas E. H. Ellis be appointed counsel for the purpose of the said inquiry:

And that witnesses required to attend and give evidence at the said inquiry be paid witness fees and expenses according to the tariff of fees and expenses payable to witnesses in the Supreme Court of British Columbia:

And that the allowances and expenses payable to such stenographers as are employed to report the evidence given at the said inquiry be at the rate allowed Court Stenographers:

And that the said Donald E. McTaggart, Q.C., as Commissioner, be allowed his necessary living and travelling expenses in addition to a fee of one hundred dollars (\$100) *per diem* whilst attending on the said inquiry and other incidental and necessary expenses for the purpose of the said inquiry:

And that the said counsel be allowed his necessary living and travelling expenses in addition to a fee of seventy-five dollars (\$75) *per diem* whilst attending on the said inquiry:

And that all costs, fees, and expenses of and incidental to the inquiry be paid by The Corporation of the City of North Vancouver:

And that Order in Council No. 2669, approved the 4th day of November, 1952, except that portion of same relating to payment of the costs, fees, and expenses of the inquiry by The Corporation of the City of North Vancouver, and Order in Council No. 2784, approved the 24th day of November, 1952, be rescinded:

And that a certified copy of this minute, if approved, be transmitted to Frank R. Goldsworthy, Mayor of the said Corporation, at North Vancouver, B.C.; R. C. Gibbs, Clerk of the said Corporation, at North Vancouver, B.C.; M. E. Sowden, Reeve of The Corporation of the District of North Vancouver, at North Vancouver, B.C.; F. G. Saunders, Clerk of The Corporation of the District of North Vancouver, at North Vancouver, B.C.; B. C. Bracewell, Inspector of Municipalities, at Victoria, B.C.; Donald E.
